

EV Forum 2012

Drive to the Future

April 20, 2012 at the AQMD in Diamond Bar, California

Sponsored by:

Tom Bradley
Legacy Foundation
at UCLA

Organized by:

Cleantech Institute is pleased to present the Electric Vehicle Forum 2012 Friday April 20, 2012 at the South Coast Air Quality Management District

Venue:

21865 Copley Drive,
Diamond Bar, CA 91765

Time: 9:00 AM to 4:30 PM

Theme: What can we do for a clean & livable future?

The Electric Vehicle Forum 2012 (EVF2012) will bring together major stakeholders and the general public to discuss the challenges and opportunities in electric vehicle industry, exploring options in solving the pollution problems caused by the mass deployment of fossil fuels with the internal combustion engines, while helping California to meet with the Zero Emission Regulation under AB32.
